The Carlton Club Political Committee is delighted to welcome the Rt Hon Dame Priti Patel MP, Shadow Foreign Secretary, to a reception and dinner.

Dame Priti Patel has served as the Member of Parliament for Witham since 2010 and has held many senior posts in Government, serving in the Cabinet under David Cameron, Theresa May and Boris Johnson. Dame Priti's Cabinet positions included Secretary of State for International Development and then as Home Secretary during the Boris Johnson Government.

The dinner will be a valuable opportunity to hear from Dame Priti Patel following The King's Speech and the start of a new Parliamentary session. Priti will share insights from her recent visit to Washington D.C., where she met senior figures in the US Administration and worked to defend Britain's interests, including opposing the Government's Chagos surrender. As Shadow Foreign Secretary, she continues to hold the Government to account for its failure to stand firmly with our allies in the Middle East. Dame Priti will also set out how the Conservative Party can renew and rebuild, drawing on her experience and strong connection with grassroots members.
