

Summer Wine

Toured Tasting & Supper

Tuesday 14th July 2026

7, for 7.30pm

Members ~ £95

Guests ~ £100

The Wine Committee is delighted to announce that following the success of his rosé wine evening in 2019, Club Member Rupert Barnes will host his fourth tutored wine tasting at the Club. On the evening of Tuesday 14th July, Rupert will guide Members and their guests through a diverse range of wines from around the world, all perfect for summer. Expect whites, rosés, reds, orange wines, and a few surprises along the way.

Rupert will share insights into each wine, covering the grapes used and what makes each one special. Whether you're a beginner or a seasoned wine enthusiast, this tasting is a great chance to discover new and exciting wines that you may not have tried before. The evening will finish with a glass or two of the relatively unknown ~ rosé port!

Join us for a sparkling wine reception at 7.00pm, followed by a wine tasting and supper at 7.30pm.
