

Cigar Dinner

Tuesday 15th September 2026

From 6.30pm Tickets ~ £170

The Committee is delighted to announce the last of this year's Cigar Dinners on the Macmillan Bar Terrace, at which fellow Club Member Peter Allinson has generously donated a selection of cigars from his private collection. Peter has been collecting cigars for over 30 years and will select three Cuban cigars from the 1990's, for Members and their guests to enjoy throughout the evening.

A percentage of all tickets purchased will be donated to Univeristy College London Hospital, Peter's chosen charity, in lieu of his generous donation of cigars.

The evening's cigar offering will be paired with a seasonal menu by Head Chef Manoj Gurung and wines from the Club cellars.
